Dad!

What do the guys need for the healthy aging process? Start Dad's journey to skin excellence with the Matte for Men skin care line designed specifically for males.

Lee Jacobs, the creator of Matte for Men lives right here in Tucson, Arizona. Having been associated with many successful consumer product companies over his career, Lee was surprised by the fact that there were so few truly effective men's skin care products on the market. He designed the Matte for Men's product line to perform as promised and addresses the needs derived directly from men.

**Matte for Men Antioxidant Daily Facial Cleanser (reg. \$26)**

Designed to thoroughly cleanse skin daily without robbing it of its' natural moisture. It gently and effectively removes dirt, oil, and environmental impurities, leaving the skin feeling energized and clean. It won't clog pores and helps control skin shine.

**Matte for Men Hand Crafted Cleansing Bar (reg. \$12)**

Simply the best soap for your skin...Matte for Men Hand Crafted Natural Cleansing Bar thoroughly cleanses without drying and is mild enough for the most sensitive skin. The lavender contained in Matte For Men Hand Crafted Natural Cleansing Bar works to relax pores, while the organic oatmeal gently exfoliates, revealing younger looking skin.

**Matte for Men Cleansing Cloths (reg. \$18)**

For complete facial cleansing "on the go" with no water necessary, Matte For Men Complete Cleansing Cloths are designed to effectively and conveniently remove dirt, oil, and environmental pollutants from the face and head. The vitamin A, retinol, and collagen formula also helps exfoliate, reducing the appearance of fine lines and wrinkles while revealing healthier looking skin.

**Matte for Men Antioxidant Shave Gel (reg. \$18)**

Matte for Men Antioxidant-enriched formula is safe for sensitive skin and will leave skin moisturized and nourished while providing the closest shave possible. It will protect against damaging free radicals and other environmental pollutants while providing soothing relief from irritation caused by frequent shaving, and lessens the occurrence of ingrown hairs.

**Matte for Men Complete Face and Head Care Lotion (reg. \$26)**

The Matte for Men Complete Face and Head Care Lotion moisturizes and conditions your skin and scalp. It provides powerful broad spectrum protection against UVA/UVB rays with SPF 25 sunscreen. It is fast absorbing and non-greasy and reduces the appearance of unwanted skin and scalp shine.

**Matte for Men -Man Powder (reg. \$26)**

Man Powder is the simple, effective, natural way to keep all of your skin -- even your skin "down there" -- dry, cool and comfortable while helping to fight odor. With a unique combination of ingredients the lightly citrus-scented Man Powder helps to absorb excess moisture, soothe your man's skin and reduce chafing, and it fights odor.
