

Dr Faiyaz Kalimullah is a board certified dermatologist and the newest member of the Skin Spectrum family.

He graduated from the University of Chicago with honors in Near Eastern Languages and Civilizations and subsequently received a medical degree from Rush Medical College, where he was elected to the prestigious Alpha Omega Alpha Honor Medical Society.

Following medical school, he completed an internship in internal medicine at the University of Chicago Medical Center. He went on to complete a dermatology residency at the University of Arizona Medical Center, where he was appointed chief resident during his final year of training.

Dr K is committed to providing his patients with expert skin care, using the latest technologies in aesthetic dermatology. He is particularly interested in the use of neuromodulators such as Botox Cosmetic, dermal fillers and volumizers, and laser surgery for skin rejuvenation.

We welcome him and hope you will get a chance to meet Dr K soon!

Schedule a skin check in September with Dr K for \$150! (\$300 value)
