

Wishing you a SKINSATIONAL Holiday Season!

As we complete our 20th year of dermatology practice at Skin Spectrum, we sincerely thank our excellent staff and loyal patients. We are blessed to be passionate about our work and to have a positive impact on skin health and self esteem.

It is exciting to be involved in an industry that consistently has new and innovative products. We are investigators, practitioners and patients ourselves! We realize you trust us with your skin, hair and nails (and now fat!) and we appreciate your confidence in our care.

We look forward to 2011 and continuing to meet and exceed your needs and desires.

To Health, Happiness and Hope.

Sincerely,

Drs. Jody Comstock and Tina Pai
